To Whom It May Concern,

I am pleased to write this recommendation on behalf of Ray Perez.

I was responsible for training Ray on the systems and processes for fulfilling Display Banner products here at YP. I found him to be a talented and capable professional, with excellent design skills and sensibilities. He grasped the complex systems we utilize here quickly and was able to become a contributing team member in a remarkably short time.

Ray was with YP for a only short time before his position was eliminated through a company-wide outsourcing program. This is in no way a reflection on his talents or abilities. I am certain that he will make a positive addition to any firm he joins.

I therefore offer my recommendation of Ray Perez without reservation. If you have any questions or require further information, please do not hesitate to contact me.

Sincerely,

Robert Ramsey
